Re: Docket # 19-9005
Application for Albireo Energy, LLC to provide Electric Supply Services

Dear Ms Marshall:

Enclosed please find additional information to support our application to provide electric supply services in the State of Delaware.

Section 2.2.2 State of Formation Certificates

- We have requested a waiver to this requirement as Albireo Energy, LLC is a Michigan corporation and the State of Michigan do not provide or require business licenses
- We submit the attached applications forms from the Michigan Public Service Commission for Alternative Natural Gas and Electric Suppliers. In both applications under the terms of conditions Suppliers are made responsible to pledge a best faith effort to hold them to compliance, effective not requiring Brokers to be licensed.

Section 11 in the Electric Application

“Broker relationship. Suppliers relying on the services of brokers must pledge a best faith effort to hold them to compliance with the relevant provisions of this agreement. Suppliers will be expected to identify aggregators they are associated with and shall supply the Staff with the broker's address, telephone number, name of a contact and business affiliation.”

Section 12 in the Natural Gas

“Associated broker, aggregator, or marketer. An AGS that relies on the services of brokers, aggregators, or marketers shall pledge a best faith effort to hold them in compliance with provisions of this agreement. AGSs shall supply the Staff with the address, telephone number, name of a contact, and business affiliation of any brokers, aggregators, or marketers used by the AGS.

Section 2.1.6 Verification of Application

- Please see attached the signed and notarized affidavit
